# CLUB EXPECTATIONS

**COVID-19 Safety Protocol:** Our #1 Priority is the health, safety and well-being of our members, their families and our staff. We commit to protecting everyone participating at the Club from the spread of COVID-19. To accomplish this, we will be enforcing certain and specific safety measures as prescribed by CDC and NYS DOH. Our Safety Plan will include daily wellness screenings, physical distancing, small groups, facial coverings, proper personal hygiene and enhanced disinfecting and sanitation. All of our staff have participated in a comprehensive training that includes all safety measures in place for the afterschool program and are looking forward to providing an engaging and exciting program this year!

**Member Check-In:** Every member must check in upon arrival and check out upon departure. Parents of our K-5th grade members must sign out their child/children upon pick-up.

**Child Release:** For a child's safety, the Club will only release a child to parent(s), legal guardian(s) or authorized adults. If the person picking up is listed on the child's membership application, but does not pick up the child regularly, a parent will notify the Club verbally, in advance. Photo identification will be required if the adult does not pick up the child regularly or is unknown to the staff member releasing the child.

**Walk Permission:** Parents must sign a walking permission form if they would like their child to walk home from the Club. Younger members must be escorted by an older sibling.

**Late Pick Up Policy:** Children in Grades K-5 must be picked up by 7:00 p.m. Tweens and Teens must be picked up by 8:00 p.m. Please call the Club if you expect to be late. A late fee will be applied if a child is not picked up on time.

**Child Illness:** If a member is absent from school due to illness, he or she may not attend the Club that day. If a member becomes ill while at the Club, the parent/guardian will be called and be required to pick up the sick child as soon as possible (within 90 minutes at most). A child must remain out of the Club until he/she is symptom-free for 24 hours, unless a doctor's note is provided which states that the child is 1) not contagious and 2) can participate in programs with other children.

**Positive Conduct:** Members must respect one another, staff, and property. Members are required to adhere to Club rules and to follow the direction of Club staff. Members who fail to conduct themselves with courtesy and respect may lose their membership privileges.

**Personal Belongings:** The Club is not responsible for lost or stolen property. Please leave personal items at home.

**Technology:** We discourage the use of mobile phones or other personal technology for our K-5 members. Children miss out on the physical, social and educational opportunities provided at the Club if they are distracted by mobile devices.

**Snack:** Good nutrition is an important part of leading a healthy lifestyle. Each afternoon, the Club offers an afternoon snack. Children should bring a refillable water bottle with them every day.

**Visitors:** All adults who are not staff members are required to sign in at the front desk. Once a visitor has signed in, he/she will receive a visitor badge that must be worn at all times while on the premises.

# About Us

Grenville Baker Boys & Girls Club is a safe place to learn and grow – all while having fun. It is the place where Great Futures are made possible each and every day.

## Safe and Nurturing Environment

The newly renovated and expanded Clubhouse offers a variety of spaces for young people to learn, explore and have fun. Our facility now includes two gymnasiums, a dance studio, community room, teen center, tween center, quiet reading room, two technology centers, two art studios, educational rooms, a kitchen and cafeteria, games room, creative movement room, playground, and outdoor field and play areas.

## Caring and Supportive Staff

Our caring youth development professionals serve as positive role models to our members.

## Power Hour

Each afternoon the Club offers homework help, providing members with space, time and assistance to complete their assignments.

Club programs and services promote and enhance the development of young people by instilling a sense of competence, usefulness, and belonging.

## Enriching Programs

We thoughtfully design and implement activities in five core areas: Education & Career | Character & Leadership | Health & Life Skills | The Arts | Sports, Fitness, & Recreation.

## Opportunities for Success

The Club strives to support members' pursuit of a high school diploma with a plan for their future. Our Teen Program offers leadership and community service experiences through Keystone Club, financial literacy education through Money Matters, and secondary education exploration and support through College Prep.
