CLUB EXPECTATIONS

Member Check-In: Every member must check in upon arrival and check out upon departure. Parents must sign out their child/children upon pick-up.

Child Release: For a child's safety, the Club will only release a child to parent(s), legal guardian(s) or authorized adults. If the person picking up is listed on the child's membership application, but does not pick up the child regularly, a parent will notify the Club verbally, in advance. Photo identification will be required if the adult does not pick up the child regularly or is unknown to the staff member releasing the child.

Walk Permission: Parents must sign a walking permission form if they would like their child to walk home from the Club. Younger members must be escorted by an older sibling.

Late Pick Up Policy: Children must be picked up by 7:00 p.m. Please call the Club if you expect to be late. A late fee will be applied if a child is not picked up on time.

Child Illness: If a member is absent from school due to illness, he or she may not attend the Club that day. If a member becomes ill while at the Club, the parent/guardian will be called and be required to pick up the sick child as soon as possible (within 90 minutes at most). A child must remain out of the Club until he/she is symptom-free for 24 hours, unless a doctor's note is provided which states that the child is 1) not contagious and 2) can participate in programs with other children.

Positive Conduct: Members must respect one another, staff, and property. Members are required to adhere to Club rules and to follow the direction of Club staff. Members who fail to conduct themselves with courtesy and respect may lose their membership privileges.

Attire: Children should wear sneakers and comfortable clothing everyday so that they can safely participate in our sports and fitness activities.

Personal Belongings: The Club is not responsible for lost or stolen property. Please leave personal items at home. All property brought to the Club should be properly labeled with the child's name.

Technology: We discourage the use of mobile phones or other personal technology for our K-5 members. Children miss out on the physical, social and educational opportunities provided at the Club if they are distracted by mobile devices.

Snack: Good nutrition is an important part of leading a healthy lifestyle. Each afternoon, the Club offers an afternoon snack. Children should bring a refillable water bottle with them every day. Vending machines are available to purchase snacks and drinks.
